

13th May 2021

Dear Parent / Carer,

Year 10 June Exams: 7 - 16 June 2021

Accompanying this letter is the overall timetable for Year 10's June mock exams. Students have had a printed timetable given to them in tutor time. I have also emailed a copy to their school email address. Please check times and dates carefully.

Details of exam topics will be posted on Class Charts and we would ask that you encourage your child to revise thoroughly. These exams will help students and staff gauge where the gaps in learning might be and support tiers of entry for future exams. It is vital that your child take this period of mock examination seriously, especially in the current climate where exam boards have been relying on evidence gathered in schools. We do not yet know what the situation will be for your son / daughter in relation to their final GCSE examination in 2022.

Yours sincerely,

Mrs C. Parsons
Examinations Officer
