

22nd May 2020

Dear Y9 and 10 Parents / Carers,

I could not end Term 5 without sending you the details I promised about Y9 and 10 new learning content. Forgive me for the fact that this will be a great deal of reading; however, I thought you would appreciate having a look at what staff are planning for your child, in the different subjects, from Term 6.

Please be mindful of the following:

- Each sheet shows the new content as well as how to learn it and how to show my teacher that I have understood it.
- Y9 new content should be selected according to the options your child has chosen, from September, so please do ignore the subjects that do not apply to him / her.
- Some staff will be trialling the Audio function on TEAMS, to support the new content and guide students through their new learning.
- Maths has been set differently according to each teacher's group.
- This does not apply to humanities subjects. They will continue to upload work on a weekly basis.

Finally, if you are a Year 10 parent / carer, please note that John O' Gaunt will not re-open for Year 10 until June 15th at the earliest; this gives us time to prepare and ensure that all possible safety measures are in place. More details to follow nearer the time.

Yours sincerely,

Mrs C Walker
Head of School
