

11th June 2020

Dear Parent/Carer

I wanted to update you about school for your child, from Monday 15th. As you may be aware, Y10 students are also coming back to JoG, so we have had to make a few changes for your child too. Please note the following:

- Your child needs to return to school on Monday, **wearing school uniform**. They should not wear a blazer but can wear a dark coloured coat, if they wish to. The expectation about jewellery / hair style / nail varnish applies and students should go back to the rules, prior to our partial closure. **Please note that students need their PE kit or a pair of tracksuit bottoms and trainers, for the afternoon session, which is usually outdoors.**
- Mobile phones should not be coming to school; admin. staff will be there to support, if your child needs to contact you.
- There will be an increased amount of signage and 2 metre tape on the floor, to remind students to keep their distances. Note that your child will not mix with any Year 10 students, whilst at school, to ensure that everybody keeps safe.
- I have reviewed their timetable in school, to reflect an increased need for academic studies, so that your child can keep up with what is set by his / her teachers. They will continue to have breaks (separately from the Year 10 students) and to have their lunch, at 12.00, as normal.

If you have any questions about this, please do not hesitate to contact me via jogoffice@excalibur.org.uk.

Kind regards,

Mrs Walker - Vice Principal
