

Thursday 11th June 2020

Dear Parent/Carer

Following Mr Hawthorne's letter, I am now able to share your child's face-to-face timetable with you and explain a few important points, as well as confirm that **your child's day in school will be** and that therefore he / she will stay in that group until the end of term. Each group will not have more than 15 students and most sessions will happen in the Gym, so that students are working 2 metres apart.

As you will see below, we are introducing sessions, rather than lessons; this is because the priority is to ensure that your child feels safe and is able to regain confidence and gauge where they are, following this long interruption to teaching. Please note that the programme below is for week 1 only. From June 23rd, Period 1 *Wellbeing* will also include an option contact and Period 2 will revert back to a Core subject, so that English, maths and science have a session each, on each day. For Week 1, we felt that it was important to support students develop their knowledge and understanding of TEAMS, as this is very much the favoured platform, for home learning, which for now, remains the most important part of your child's learning. **I have also attached a separate document, from Mrs Morgan, which highlights the changes we have made to your child's home learning timetable and the rationale behind it (this only applies to Year 10).**

I am aware that you are receiving a considerable amount of communication about your child's return to school and I hope that all has been made clear for you. For ease of reference, I thought I would include some of the key points to remember:

- Students should attend school on their designated day only
- Students should leave the school site quickly, at 12.50 and should not be tempted to mingle outside of school
- Y10 students will have separate break times and will not mix with any other students on site
- Most sessions will happen in the Gym (which has been set up as a classroom) and staff will come to students, to avoid unnecessary movement around school
- Students should return to school wearing their uniform and remember the rules about hair / nail varnish / hoodies / school shoes / mobile phones etc...

We are all very much looking forward to welcoming our students back and are keen to support them in any way we can. These sessions will be a perfect opportunity to check their understanding and allow them some return to normality.

Please do not hesitate to contact me, if I can be of further help.

Kindest regards,

Corinne Walker
Vice Principal

Activity/ Time	MONDAY	TUESDAY (Group A)	WEDNESDAY (Group B)	THURSDAY (Group C)	FRIDAY (Group D)
AM Reg: 8.45-9.00	No Year 10 students on site	Registration/pastoral checks/assemblies (Senior Leadership Team)
