Dear Parents/Guardians

Some of your child's teachers use Seneca as an online platform to support your child with key knowledge linked to the GCSE curriculum. They have just released a free parent monitoring platform.

This lets you see how long your child has spent on their different subjects, their average score and number of questions answered.

Here are some instructions for getting started:

1. [Click here to create a parent account](#) (if you arrive at a login page, make sure to click on the 'Sign up' option)
2. Click 'invite child'
3. Share your code with your child(ren) and ask them to click on the link
4. Login to review their progress.

This step-by-step guide has images if you get stuck: [How to connect my parent account to my child's account.](#) Seneca is an excellent revision tool, and when used a little and often, can have real impact on results.

Kind regards,

**Mrs J. Morgan**  
**Assistant Vice Principal (T&L) - JoG**  
EAT Secondary English and Literacy Lead Practitioner  
ETSA SLE (English and T&L)
