

21st May 2021

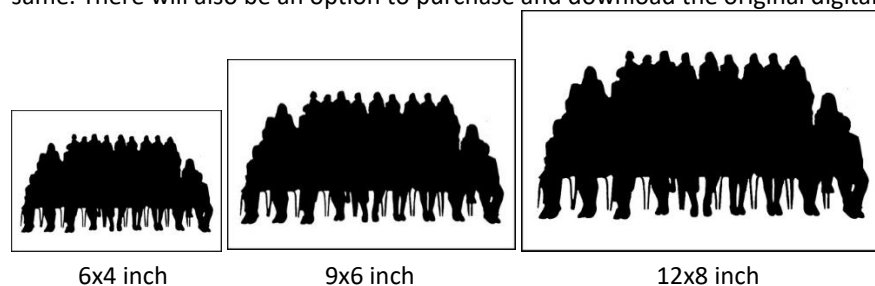

Dear parent/carer,

Towards the end of Year 11, John O' Gaunt normally arrange to have their final set of formal school photos taken for the last time. This year, we have organised for photos to be taken at school on **Tuesday 25 May** from 10am – 11am approx. This includes a whole year group photo with SLT and Tutors, a formal single photo of your son/daughter, and we also offer 'friendship' photos – students can have a professional photo of their group of friends, which has proved very popular in the past. There are three choices of sizes and costs:

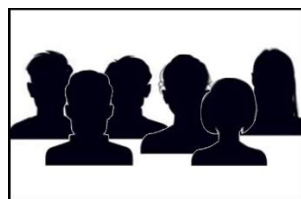

Portrait Prints can be ordered quickly and easily online in three different sizes. You can also chose to mount the image in a foldable presentation mount There will also be an option to order and download the digital image so that you can print as many copies, to whatever dimensions, you like in the future:

Year Group Prints can also be ordered in the same way, from the same gallery, and the dimensions available will be the same. There will also be an option to purchase and download the original digital image.

Friendship Portraits will be available to pre-order at 9x6inch. These are only available to pre order and prepay before the day and are totally optional.

All of these photos will be available to be purchased through our new School Photograph provider through a digitally secure website, which adheres to GDPR regulations. Each parent and student will have an individual login to view only their child and the group photo.

When ordering the 'Friendship photo' students will have pre-ordered and signed a form stating that they are happy for this to be shared between the group of friends.

Both the formal Year 11 Group photo and individual portrait photo are taken as standard and students can view before they buy. The friendship photo has to be purchased beforehand.

Pricing is as follows:

<u>Print Size</u>	<u>Just Print</u>	<u>Print with Folded Mount</u>
6x4	£5.00	£7.50
9x6	£7.50	£10.00
12x8	£10.00	£12.50

Digital Image Download - £20 (licensed for reprinting however many times they like.)

Students will be expected to be very smart and in full school uniform.

If you wish to purchase a 'Friendship group' photo, please fill in the form below, and return in an envelope the amount in cash of £7.50 for each person in the photo friendship group. All people in the group must pay the same amount, and they will all receive a copy.

Name: _____ Tutor Group _____

Names of students in your friendship group:

I agree for this photo to be shared only amongst the group indicated above.

Amount enclosed: £ _____

Signed (parent) : _____ Date _____
