Dear parents/carers,

Re: Remote Learning Survey

Firstly, I'd like to offer you a heartfelt thank you for your support over the last week or so. The latest national lockdown is something we've all had to adapt to rapidly, and whilst this is obviously something that has challenged us as a school, I've no doubt it has presented challenges for families too.

We feel that we've made a good start and students seem to be responding well, supported at home by you and through quality live lessons, offline work and support from the school. The numerous messages of praise and encouragement have meant a great deal to staff, so my thanks too to those parents who have contacted us, or indeed Ofsted or their local MP!

Of course, the key thing is for us to constantly evaluate the provision, so that we maintain the momentum we've gained already. As part of this, and as we make our way into the second week of educating our students online, we'd like to gather some feedback about your perceptions of the provision we're offering so far. To that end, I would really appreciate it if you could take a few minutes to complete the following survey: <https://forms.office.com/Pages/ResponsePage.aspx?id=pL64lYeN6E6E77cZGYWgyquYQU8YarxHhv-Kheb8A-RUNjc2N1lJSkpRQ0JNMEJHVFE4VjJLTDU0MS4u>

We will be issuing a similar questionnaire to students this week. We'll gather all the views together and alongside our own reflections, see if there are any changes that we need to make to further develop our provision. I would ask that any comments you make relate to provision generally, as individual concerns are best raised directly through the school. I would also ask that you keep in mind that staff are working incredibly hard and with a genuine desire to do their best for our students.

The survey will be open from now until **Wednesday 20th January at 3pm**. I know that this isn't very long, but it will enable us to look at the feedback and make any adjustments quickly. We'll issue another version of the survey again later in the term too.

If you have any queries about this, then please do not hesitate to contact the school. In the meantime, I hope you'll find a few moments to offer some constructive feedback.

Your sincerely,

Mr R Hawthorne
Head of School
