Look out for some of these special events planned for 2021/22:

- We will be introducing exciting new street food concepts for you to enjoy at lunch.
- Fun Food Days and events. Look out for some Autumn inspired special days and winter menus.
- Develop and train the catering team to exceed their personal expectations which in turn can only provide a better experience for your children.

Dear Parent/Guardian

We would like to extend a warm welcome as your child makes the transition from Primary School to John O'Gaunt Secondary.

We appreciate that this can be a worrying time and so we want to reassure you that if your child chooses to eat with us they will have a varied choice of nutritional and balance meals.

We also operate a cashless system so you do not have to worry about your child carrying cash around school, just add funds through the accompanying app.

Working closely with John O'Gaunt we have planned some wonderful theme days for the students, revised and enhanced snack and street food menus.

At Edwards and Ward we are committed to providing a nutritious and innovative menu using high quality ingredients.

Best wishes

John Boor
