

Useful Revision and Resource Sites		
Oak National Academy	https://www.thenational.academy/	A new initiative drawing on the expertise of over 40 expert teachers, who are delivering daily lessons for all key stages. Some subjects are not covered yet, but this is evolving. Benefits from teacher videos.
Seneca	www.senecalearning.com	Probably the best free website for GCSE students. Students need to register and then get access to revision information and quizzes. Some teachers have set this up and set assignments so that progress can be tracked.
Quizlet	www.quizlet.com	Amazing resource – online flashcards that help students to learn key knowledge for different subjects. Some teachers have this set up to their own accounts.
GCSE Podcasts	https://player.fm/podcasts/Gcse	A repository for lots of podcasts on various subjects at GCSE level...could be really useful for students and teachers alike!
Twinkl	https://www.twinkl.co.uk/offers	A really useful site for teachers (and now parents) with loads of key stage related resources. It is free at the moment until the end of April – you need to sign up and use the code UKTWINKLHELPS or PARENTSTWINKLHELPS
BBC Bitesize	https://www.bbc.co.uk/bitesize	Another useful website organised by subjects and key stages. Beginning Monday 20 April, BBC Bitesize will publish daily online lessons for all ages. They will also have a new dedicated TV channel full of learning content, podcasts on BBC Sounds and loads of educational video on iPlayer.
BBC Teach	https://www.bbc.co.uk/teach	Whether you're at home or at school, you can use BBC Teach for free. This website is home to thousands of free curriculum-mapped videos, arranged by age-group and subject.
British Library	https://www.bl.uk/	British Library website with some excellent resources for History and English – good for stretching and enriching. Check out some other museum websites too!
The Day	https://theday.co.uk/	If students would like a daily or weekly dose of the news, written especially and <i>reliably</i> for them, look no further than <i>The Day</i> online newspaper. From the JoG student's login, Student Services - Library - The Day.
Kahoot	https://kahoot.com/	The ultimate fun quizzing site with loads of different quizzes on a range of different subjects. Teachers can also devise their own.
TED-Ed	https://ed.ted.com/ https://ed.ted.com/daily_newsletter	You can sign up for age related Ted-Ed talks – it covers a vast range of subjects and topics. Well worth a browse!
Chatterpack	https://chatterpack.net/blogs/blog/list-of-online-resources-for-anyone-who-is-isolated-at-home?fbclid=IwAR0gGYTeAk4zmp-xFaKOBbT50nbRHdy94Zh5FjyZbNrHX-aZnKWxLEg-ly0	A resource list – you are bound to find something useful on here to help students avoid boredom!

English, Drama, Literacy and Reading Sites		
Teachit English	https://www.teachitenglish.co.uk/	English Resource site for English teachers BUT it has free resources on until the end of April 2020!
LitDrive	https://litdrive.org.uk/	First class resources by English teachers for English teachers – shared and all free. Particularly good resources from Stuart Pryke...
Quotation Bank on YouTube	https://www.youtube.com/channel/UCPPWWePw71v6jM0F_1EJByQ/videos	Videos for key literature texts for GCSE focused on useful quotations!
AQA English Language and Literature Past Papers	https://www.aqa.org.uk/subjects/english/gcse/english-language-8700/assessment-resources https://www.aqa.org.uk/subjects/english/gcse/english-literature-8702/assessment-resources	GCSE Past papers for Language and Literature
Freerice	www.freerice.com	A free resource for all ages – useful for broadening vocabulary but also has other categories. Test your knowledge and earn rice as part of the World Food Programme's sponsored site. Mrs Morgan put all TG codes on Classcharts – let's try to get to 500,000 rice grains per TG by the end of July!
Vocabulary.com	https://www.vocabulary.com/	If you want to broaden your vocabulary – look no further!
Accelerated Reader	https://ukhosted43.renlearn.co.uk/2171850/	Accelerated Reader: We don't normally advise students (Y7s and Y8 Discover English) to take Accelerated Reader Quizzes at home, but these are not, of course, normal times. If students have finished a book and want to quiz on it, they should be able to access it the usual way: Jog Webpage - Curriculum - Reading Programme - Accelerated Reader - then Accelerated Reader (again, yellow print). Students can now input their username and password. To check a book's Accelerated Reader (AR) number, go to https://www.arbookfind.co.uk/ but do please remember, not all books have them. Students can only quiz on books with AR numbers.
English Mastery	https://www.englishmastery.org/ https://www.englishmastery.org/our-response-to-coronavirus-covid-19/	Their vision is that an English Mastery student will graduate from key stage three English with the academic and cultural literacy required to be educationally mobile, whatever their background. It has some free resources/workbooks at the moment.
The Literacy Shed	https://www.literacyshed.com/home.html	A gem of a site. Welcome to The Literacy Shed - the home of visual literacy. They aim to provide teachers with high quality films and animations that can be used in the classroom to enhance the teaching of reading and writing.
West Berks Library	http://info.westberks.gov.uk/libraries	West Berks Libraries are of course closed, but you can download online resources for free, if you are a member, and queries will be answered as much as possible. You may also be able to join. This also gives you access to the whole, up to date, Student Britannica Encyclopedia.

Who else writes; Who next?	https://www.whoelsewriteslike.com/ https://www.whonextguide.com/	Don't know what to read? Like a particular author? Want to branch out? These sites are very useful and offer free, no-obligation two-week trials ...
Hungerford Bookshop	https://www.hungerfordbookshop.co.uk/	Hungerford Bookshop , our wonderful, family owned independent bookshop is offering to post the books you buy out for free, whilst it has to close...email them to take advantage of this generosity.
Project Gutenberg	https://www.gutenberg.org/	A library of over 60,000 web-books – mostly classics.
Audible	https://stories.audible.com/start-listen	Some free audible books for a long as schools are closed!
World of David Walliams	https://www.worldofdavidwalliams.com/	Offering a free 30 minutes of an audible book every day for the next 30 days. AND David Walliams is reading one of his stories every day at 'Elevenses'
National Theatre	https://www.nationaltheatre.org.uk/learning/national-theatre-collection/uk-state-funded-schools	For state funded schools, during the Covid situation, the National Theatre are giving access to streamed content for state schools free. You will need to register – once per school.
BookTrust	https://www.booktrust.org.uk/books-and-reading/have-some-fun/	Fantastic home learning resource to encourage the love of reading for all age groups. It has the new Home Time section where Cressida Cowell is reading 'How to Train Your Dragon' and illustrators are running some workshops. They have also collated all the different things authors and illustrators are offering in one lovely list...check out Andy Stanton reading 'Mr Gum and the Biscuit Billionaire' if you want to laugh out loud!
Maths and Numeracy Sites		
Mathswatch	https://www.mathswatch.co.uk/	Mathswatch – students should all have their login details for this invaluable resource for Maths.
Mathematics (and English) Mastery	https://www.mathematics mastery.org/free-resources	Free resources amidst the current climate from Ark - they are a non-profit organisation, dedicated to transforming Mathematics and English education in the UK. Resource packs available for different key stages.
Prodigy Maths	https://www.prodigygame.com/	All Discover students have Prodigy maths accounts and can email camor@johnogaunt.excalibur.org.uk if they've forgotten their log in details.
Corbett Maths	https://corbettmaths.com/	Helps students understand mathematical topics by providing free Video Tutorials Helps students reinforce their learning by providing free Practice Questions, 5-a-day and solutions to each Helps stretch and challenge students by providing free puzzles and activities Helps teachers by providing all these resources for free so that they can use them within their lessons and as resources for homework or revision.
Carol Vorderman's Maths Factor	https://www.themathsfactor.com/	The Maths Factor is FREE for everyone (usually about £2 per week) to support childrens' continued learning at home for the duration of the UK Schools closure period. It would be good for Discover students.
On Maths	https://www.onmaths.com/	Good for GCSE students, with mini mocks, past papers, topics busters. When you complete a paper the site calculates your score as you work. Remember JoG Maths use the Edexcel exam board.

Top Marks Maths	https://www.topmarks.co.uk/maths-games/hit-the-button	Super for those still needing to improve times tables and number bonds.
Maths Genie	www.mathsgenie.co.uk	More GCSE Maths revision resources!
Maths Made Easy	www.mathsmadeeasy.co.uk	Some reduced price Home Study Kits here – remember the exam board for Maths is Edexcel
Brainbashers	https://www.brainbashers.com/	Brainteasers, puzzles, riddles...to get you thinking and to prevent boredom!
Science		
Physics and Maths Tutor	https://www.physicsandmathstutor.com/	Here you can access past papers and mark schemes – Science at JoG is AQA. You can focus exam questions on weaker areas or gaps in your knowledge.
Interesting Engineering	https://interestingengineering.com/11-of-the-best-science-websites-for-interactive-learning	11 of The Best Science Websites for Interactive Learning
Science Kids	http://www.sciencekids.co.nz/gamesactivities.html	Enjoy fun science games for kids while learning more about science and technology. There's a range of free online activities to try with something for everyone whether you're interested in animals, plants, chemistry, biology, physics, space, magnets, electricity, forces, light, sounds, gases or other science related topics. Put yourself to the test by trying to complete as many of the interactive challenges as you can, the games start off easy but will be fully testing your technology skills and understanding of the science behind the game in no time.
Project Based Learning, Online Courses and Competitions
