

2020 Year 8 “The Bullies” – Work from home

Costume design and character creation

Imagine you are a famous costume designer with an unlimited budget and huge imagination.

TASK ONE:

- Create a costume design for **“The Bullies”** character you are playing (Stryk, Kuff, Grynd, Boot and Punch).

Annotate (write lines and explain) your design with your decisions and reasons for making them.

What colours, materials and accessories would you choose and why?

TASK TWO:

- Write two paragraphs explaining how you will use these skills in your practical work. How will you use **physical and vocal skills** to perform your character (physical skills = facial expression, body language, movement, levels, space. Vocal skills = pace, pitch, tone, volume, projection, accent, dialect, clarity and diction)?

STRETCH AND CHALLENGE TASK:

Use quote(s) from the script to help explain why you have made your choices and decisions with your design. Explain the importance in a short paragraph (minimum of 5 sentences).

WHAT TO REMEMBER WHEN YOU RETURN TO SCHOOL:

Please bring in a costume for your character. Be resourceful, don't spend any money but think about what you have at home and what might be suitable for your character. You might find props can help you too, so bring these in as well.
