

Inspire, Believe, Support, Achieve

Year 7 HISTORY

Curriculum intent: To build confident investigators of the past through historical enquiry. Students will develop their knowledge through exploration of exciting, contested questions. In doing so, students will develop their understanding of historical concepts and investigative skills.

CONTENT / KNOWLEDGE:

- Migration to Britain over time
- The Norman Conquest
- Medieval castles
- Magna Carta
- The Black Death
- The Wars of the Roses

SKILLS:

- ❖ Source analysis (for example, making inferences and cross-referencing)
- ❖ Historical interpretations (for example, comparing different interpretations of the past)
- ❖ Explaining historical concepts – Change and continuity, significance, cause and consequence
