

December 2021

Dear Parent,

**Year 9 Exams: 10<sup>th</sup> -14th January 2022**

Accompanying this letter is the overall timetable for Year 9 Exams. Students have had a printed copy given to them in tutor time. I have also emailed a copy to their school email address. Please check times and dates carefully. There are some exams that are outside the normal schedule as students have recently completed depth tests and need more teaching time before exams are sat.

With Options fast approaching, these exams will help students and staff consider subject choices for year 10. Details of exam topics will be posted on Classcharts and we would ask that you encourage your child to revise thoroughly.

Yours sincerely,

**Mrs C. Parsons**  
**Examinations Officer**
