Dear Parent/Carer

Re: Year 9 Options Evening

We have made the decision to postpone the upcoming Options Evening planned for Thursday 24th March. This will now be a **Virtual Year 9 Option Subjects evening on Thursday 31st March, 6-7pm**. Whilst we would like to be able to greet you in person at the school, due to the current pressures of COVID in school it does mean this year's event will need to be held remotely.

Full instructions about how to join the event itself will be emailed to all parents/carers prior to the event on Thursday 31st March. The presentation will also be available on the website and there will be an opportunity to answer questions about the process after the presentation. To help us plan the event and have an idea of numbers, we would like an indication of how many parents are intending to attend the virtual evening. Could I please ask you to complete the [REGISTRATION FORM](#) **no later than Wednesday 30th March at 3.10pm** to register for this event. You will then be emailed a link to join the event.

Subject related questions should be directed to the individual Faculty Leader email, and these can be found in the Options Booklet within each subject; the booklet is [linked here](#). We will be providing further information about how to access the website link where you will be able to watch individual subject presentations, on Monday 28th March.

We look forward to seeing as many of you as possible on Thursday 31st March. In the meantime, please do not hesitate to contact the school if you have any other queries.

Yours sincerely

Mr S Smith
