

Employers and Organisations:

We are grateful for all the help and support we currently receive from employers and organisations that work with us - thank you for your time and effort!

We are always looking for new opportunities and collaborations with employers, organisations, businesses and parents. If you would like to participate in careers events or get involved in careers education at John O'Gaunt School, please contact our Careers Lead Mrs Melvin-Chick by phone (01488 682400) or by email on jogcareers@johnogaunt.excalibur.org.uk.
